**Additional Notes: (cont.)**

- Medical Examiner Fees for cremation approval vary by county.
- Obituary charges are priced by newspaper and require pre-payment.
- Cemetery interment costs (opening and closing of grave) vary by cemetery. Funeral Home can provide price list.

(FTC) If you want to arrange a direct cremation, you can use a cremation container. Alternative containers encase the body and can be made of materials like fiberboard or composition materials (with or without an outside covering).

(MN) Minnesota law does not require you to purchase a casket for cremation. If you want to arrange a cremation, you can use a cremation container. A cremation container is a combustible, closed container that encases the body and can be made out of materials like fiberboard or cardboard and into which a dead human body is placed prior to insertion into a cremation chamber for cremation. The containers we provide are made out of fiberboard.

Please contact us if you have any questions or wish to pre-fund any type of funeral or cremation service.

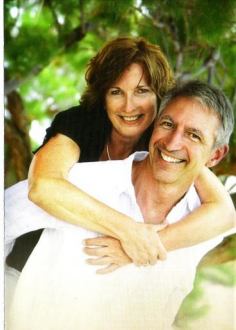

No guarantee of costs are implied.

Thank you for considering Johnson Peterson Funeral Homes & Cremation. The goods and services shown are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangement you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any item you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you select.

### Professional Services

**Basic Services of Funeral Director and Staff**  
..... \$2,975.00

Our charge includes funeral counseling, necessary arrangements, recording vital statistics, securing permits, filing and obtaining death certificates, and other forms and claims, preparation of necessary notices, and coordination of service plans with parties involved in the final disposition of the Deceased. This fee for our basic services and overhead will be added to the total cost of the funeral arrangements you select. (This fee is already included in our charges for direct cremations, immediate burials, and forwarding or receiving Remains).

**Embalming**..... \$ 495.00

Except in certain special cases, embalming is not required by law. Embalming may be necessary, however, if you select certain funeral arrangements, such as a funeral with a viewing. If you do not want embalming, you usually have the right to choose an arrangement that does not require you to pay for it, such as immediate burial, direct cremation or where refrigeration or dry ice is available.
